In response to the Office Action mailed August 26, 2003, applicants hereby provisionally elect, with traverse, to prosecute the claims of Group II (claims 83-86) in this application.

However, applicants traverse the restriction requirement since the subject matter of all of claims 1-13 and 41-97 is sufficiently related that a thorough and complete search for the subject matter of the non-elected claims. Search and examination of the entire application would be required.

Serial No.: 10/089,888

without serious burden. See MPEP §803 which clearly states that "[i]f the search and examination of an entire application can be made without serious burden, the Examiner must examine it on the merits." This policy should apply in the present application to avoid unnecessary delay and expense to applicants and duplicative examination by the Patent Office.

Respectfully submitted,
